- Ability to lift up to 60lbs, and to stand for long periods of time.
- Able to manage repetitive tasks while still maintaining excellent attention to detail.

- You are a team player who asks questions and is willing to learn.

### **About the job:**

*Under the supervision of the Print Shop Manager, you can expect:*

- Tags are produced using a combination of high-end machinery and manual finishing techniques.
- Tag room employees work together to maintain equipment and a clean environment each day.
- Other production tasks may be assigned as required to help our team achieve our shipping goals.

Van Belle Nursery is a smoke-free workplace. This seasonal position is not eligible for benefits, but you are eligible for employee discounts on plant purchases.

Thanks to all who apply, however we will only contact those selected for an interview.

**Compensation: \$14 per hour.**
